TAX RELIEF

Dear *Mayfair*,

I've been faithful to my missus for as long as we've been together. We have two kids, a lovely house, we get on great and we do love each other. However, our sex life is seriously lacking and it does get me down. My sex drive is still as high as ever, but Jenny's went right down after our second child. It bothers me, but not

enough to stray. That is, until recently.

It was only when I became self-employed six months ago and went to see an accountant, that I met Tamsin. I was expecting a guy, so when this blonde walked out into the reception waiting area and called my name, I was completely taken by surprise. She led me into her office and invited me to sit down. I fancied her straight away, and I had the distinct impression that she felt the same – though I certainly wasn't sure enough of myself to

make a move!

As she went through the paperwork and explained everything we kept making eye contact and it was pretty intense. The chemistry between us was palpable, which is something I have rarely experienced. I had to concentrate on not getting hard, focusing on the boring stuff she was telling me about, rather than her sexy smile, the way she tucked her hair behind her ear, licked her lips or her perfectly rounded boobs, encased in a pale silk shirt.

The meeting went quickly and, before I knew it, she was standing up and holding her hand out for me to shake.

I was caught off guard for a moment and felt a bit flustered as I took her delicate hand, before gathering up my papers and getting out of her office quickly.

That night, after my wife had gone to bed, I admit that I had a wank while thinking of Tamsin. I imagined how she would look with her skirt around her knees, bent over her desk as I ploughed my cock deep inside her pussy. As I thought about cupping her tits and pushing myself balls deep, I shot my load, jizz spraying all over my stomach.

Because I had wanked over her, I felt a bit nervous the next time I had an appointment with Tamsin. When she looked at me and smiled, I almost felt like she knew! Our flirting became even more obvious this

time and, when she handed me a form to fill in and brushed her fingers lightly against my hand, I absolutely knew that she was into me. I played it as cool as I could, nonchalantly doing the paperwork presented to me, before casually asking if I could come back tomorrow, as there were a few more things I felt like I needed to discuss. She grinned, cottoning on to what I meant, and told me that she was booked up the next day, so I would have to come and see her during her lunch break, while everyone was out of the office. I thanked her and left, once more wanking over her that night.

The following day at 12:55, I was unbelievably nervous, tense with anticipation. I wasn't sure what would happen, but I knew what I wanted to happen. I sat in the waiting area, watching as all the staff disappeared for their lunch, one by one. Then, Tamsin appeared and smiled that sexy smile at me, beckoning me into her office. I walked in past her and, as she closed and locked the door behind her, she turned to me and we pounced on each other, without saying a word. It was like we had no need to converse, that the attraction between us was so strong that it didn't need voicing. We kissed passionately, eating each other's faces,

RED LETTER DAY

Dear *Mayfair*,

I had to write in to say thank you for your latest selection of pictures of Roxi Keogh and her stunning red hair! I bet she turns heads wherever she goes with that barnet – let alone given the rest of the package. And while it's always a pleasure to bear witness to her fabulously inviting pussy, it was actually the picture on page 27 that really blew me away – such a classy pose from a girl who's clearly entirely comfortable with her own sexuality. I only wish I had the opportunity to get comfortable with her sexuality as well...

Toby, Norwich.

pushing ourselves together and running our hands over the other's body. It was so fucking sexy.

I have no idea how long we snogged for, but when we broke away, Tamsin wasted no time in dropping to her knees and unzipping my fly, her hand sneaking inside my boxers and removing my hardened cock from its confines. I gasped, not quite believing my luck. She opened her mouth and wrapped her lips around my helmet, kissing it gently before sucking me inside her warm mouth. It felt so good! I couldn't remember the last time my missus had given me a blowie so I was enjoying every moment of this! Tamsin took me deep, right to the back of her throat so she gagged, before licking the length of my shaft, stopping to take my balls in her mouth in turn. She was so horny!

After a few minutes, I was desperate to taste her. I'd rubbed her fanny a bit through her skirt, but I wanted to get my lips on her lips and taste her juices. I told her to bend over the desk and, as she did, I lifted her skirt up and pulled her knickers down. Kneeling behind her, I stuck my tongue out, running it first up and down her slit, enjoying the little mewling noises she was making. Then, I made my tongue as rigid as I could, before shoving it as far into her pussy as I could, sucking up her musky juices, burying my face in her crack. It was amazing!

But, as good as all this oral was, I needed to get my dick wet. I stood up, grabbed a condom from my back pocket and rolled it on smoothly, all the while using my thumb on her clit, keeping her on the boil. As soon as I was covered, I pulled her cheeks wide apart so her pussy gaped, the wetness dribbling out of her hole, and bumped the tip of my cock up against her, pushing slowly until she enveloped me with her moist cunt. She groaned loudly as I filled her up, my length disappearing into her velvet gash, until I felt my balls slap against her. This turned me on further, and I began to thrust rhythmically, grunting as I sawed in and out of her tight hole. She pushed back against me, snarling, "fuck me", as she did.

It was so fucking horny, shagging her across her desk from behind, hearing those filthy words come out of her beautiful mouth that I knew it wouldn't take me long – and it didn't! As I slammed into her hard, I felt my balls tighten and I uttered the words, "I'm coming", as she yelped that she was too, her vaginal muscles tightening around my tool as I pummelled into her as hard as I could. I managed to hold off for a moment, until I felt her orgasm come in waves, then subside, then I let myself go – thrusting harder and faster until I came too, shooting my load into the rubber.

We stayed there for a few moments, catching our breath, and when we finally broke apart to clean and straighten ourselves up, Tamsin surprised me by suggesting that we repeat the experience next week. I was bowled over – I was not expecting that at all! She knew I'm married, so I thought this'd be a one-off thing. We did hook up again the following week, and the week after that. In fact, Tamsin and I have been secretly fucking for around 6 months now. Who knew going self-employed could be such a tremendous move?!

John, Scarborough

THE BIG GRAPPLE

Dear *Mayfair*,

I thought your readers might like to hear what happened to me a few weeks ago whilst on a short business trip to New York. Upon arrival, my company agents met me at the airport and put me up in a rather nice hotel on the outskirts of the city, which was perfectly adequate. It was late in the afternoon by the time we arrived at the hotel, so after a quick shower I decided to go down to the bar for a few drinks before dinner. The hotel bar was quite full, mainly with guys, most of whom appeared to be local. In fact there was only one female worth looking at, and that was the barmaid. I'd guess that she was in her early thirties. She had short blonde stylish hair, blue eyes, a nice trim figure with a lovely round shapely bum, which was only too obvious in her tight fitting black trousers. She was very popular with the locals.

I had four beers altogether, taking every opportunity I had to admire her cute round arse. When she finally brought me my tab I noticed that she had only charged me for two beers. I pointed this out to her, but she looked at me intently and told me that she never made mistakes, then just before she picked up the tab she

gave me a wide smile and winked at me.

When I went into the restaurant for dinner, I couldn't stop thinking about the barmaid and that suggestive wink. After I'd eaten, I went back to the bar but was disappointed to find that the barmaids had changed. I bought a beer anyway, and just when I was about to leave, I noticed the barmaid that had been serving earlier was sat at a table alone, at the far end of the room. I approached her and asked if I could return the favour and buy her a few beers. She agreed, but said she didn't want to be seen with me in the hotel where she worked, so we quickly left and Julie drove us to a small town nearby.

We went to several small bars over the next few hours, chatting away and playing pool, before she drove me back to the hotel.

Towards the end of the evening, Julie's mood seemed to change, but I couldn't fathom why until we got back to the hotel. We were sat in the car, in the car park at the rear of the hotel when Julie told me that I offended her because not once during the evening had I tried to kiss her. I told her that I didn't want to seem presumptuous, and tried to explain that Englishmen were probably a little more reserved than her fellow Americans. She didn't seem convinced, so assured her that I found her very attractive and that I very much wanted to kiss her. I then asked if she wanted to go up to my room. She said that she did, we got out of the car and sneaked up the back steps and into my room.

As soon as I closed the door, Julie took off her jacket and work waistcoat, rolled up the sleeves of her white blouse, then stood there with her hands on her hips and said, "Right, now I'm going to teach you a lesson for ignoring me all night. I'm going to tease

TOUCHING BASS

Dear *Mayfair*,

I used to play bass in a band, and fancied myself as quite a good player, but I never fancied myself as much as I fancied Cara Brett with her bass guitar on the cover of your latest issue (52.08)! With her leather jacket, torn denims and (most importantly) spectacular boobs on display, she looks like just the sort of girl I craved would be a groupie for my own band but who sadly never was. We did get a few groupies, but sadly none of them in Cara's class – at least none who got round to the bass player! All that was a good 25 years ago now, but those pictures of Cara posing with the bass and drums brought the good time flooding back!

Bexi seems to have got things pretty well sorted in her life – she's only gone and upped sticks and moved to the island paradise of Bali! That's bad news for the red-blooded males of Britain, Bexi – what's the idea?!

"Ha, well in this day and age with the internet meaning you can work from home a lot, I figured I could make my home wherever I fancied, and where I fancied was Bali! I still come back to Britain pretty often to see friends and shoot sets, but I've definitely got a taste for living over there now!"

Hmm, so is there any room for a blurb-writer who fancies a holiday some time, Bex?

"Oh, it's a rather small pad!"

THE PERFECT PAIR

Dear *Mayfair*,

Jada Cameo and Dannii Harwood in the same issue? I've got a little stash of *Mayfairs* that are all-time keepers, and your latest issue will definitely be joining that select pile! And not only the girls themselves to give thanks for – they're both sporting fabulous lingerie that only serves to further heighten the delight in looking at their pictures. Jada, I'm delighted to say, keeps her stockings and suspenders on throughout, but then if Dannii insists on taking all her underwear off, I'm not the sort of guy to complain too much. Sheer perfection, and my compliments to them both!

Duncan, Canterbury.

you so much until you are pining for me, you limey son-of-a-bitch". This all sounded fine to me!

Julie told me to lay on the bed fully clothed. She then knelt on the bed with her legs astride of mine as she slowly unbuttoned her blouse and flung it onto the floor. I could tell that she had nice firm tits, and more than a handful, but unfortunately she kept them concealed in her bra. She unbuttoned my shirt before slowly bending down to kiss me lightly on the mouth, before moving her kisses to my neck and ear lobes, down onto my shoulders, and gradually working her way down my chest and stomach, covering me with light brushing kisses. I tried to reach for her tits, but she pushed me away, tutting. She then leant back and unclipped her bra. Her firm tits bounced out and looked every bit as good as I had imagined. I couldn't wait to suck on her bullet-nipples. Next, she unzipped her tight black trousers and slowly eased herself out of them, leaving just her pretty white panties on. She looked at the large lump in my trousers, my pulsating cock straining to be released. She smiled wickedly, then bent forward and began kissing me lightly as before, starting with my mouth and neck then slowly working her way down my body, but this time her bare tits occasionally brushing against my skin. When she got down to my stomach, she gently rubbed the hard lump

in my trousers with her hand, toying with my zip, enjoying my reaction

"Are you pining for me yet?" she asked. I told her that I was, in fact that I was desperate for her. She continued rubbing my cock through my trousers for a while then finally she began to unzip me. My cock sprang out, throbbing uncontrollably. She removed my trousers and underpants completely, then began to kiss me lightly

as before. She eventually mouthed her way down to my pubes and worked her way down the inside of my thighs, then back up to my groin. She licked and gently fondled my balls before probing her tongue deeper and deeper downwards to my arsehole, licking my anus and occasionally flicking the tip of her tongue inside. No woman had ever done this to me before and I must admit the sensation was quite delicious. When she finally surfaced, she ran her tongue back up to the base of my cock. Licking up and down my shaft, exploring every contour, she then started on my swollen helmet, flicking her tongue

right around the rim and occasionally putting the end of my cock between her moist lips. Slowly, more and more of my shaft sank into her luscious wet mouth, and she began to suck.

I was so turned-on by now, that I was sure that I'd explode into her mouth if she didn't stop soon. She must have realised this, and probably tasted some of my pre-come, because she stopped sucking. She said nothing, her eyes transfixed on my throbbing tool, as if in a trance, and I sensed that her own earlier self-restraint was now beginning to weaken. Rather abruptly, she thrust her hand down her flimsy knickers, giving me a quick glimpse of her fair pubic bush for the first time, and she began to rub her slit.

A sense of urgency had now obviously taken over from her earlier self control, and she knelt up, quickly removed her pants and tossing them hastily aside, before moving herself up my body, her pink slit glistening between her pubes. She straddled my hips and slowly lowered herself on to me.

The head of my cock parted her pink lips and gradually sank into her wet hole, until

eventually her buttocks sat on my thighs, my cock completely buried. Julie let out a soft moan, and then began to ride my cock in a steady rhythm. She soon began to pant as she approached an orgasm, which was just as well, because I knew that I couldn't last much longer, after such a long, teasing build-up. I felt the familiar twitch of my cock, followed by an eruption of spunk as I shot several spurts of my hot juice right up her twat. Julie groaned and grunted, and her whole body shuddered as her own orgasm hit her. When she'd finished climaxing, she collapsed on top of me, my cock still inside her and our sticky juices slowly seeping out of her pussy, down into our pubes. She whispered into my ear, "I needed that", then slowly climbed off me and began to gather her belongings. She didn't hang around and once she was dressed she left.

The following morning I realised that Julie had forgotten her waistcoat. It was quite early and I had only just got out of bed when there was a knock on the door. I was hoping she'd be able to stay for round two, but she had to get to work. I made sure I was hanging around the bar that night, though, so when her shift finished, we decided to grab a couple of bottles of fizz and go to my room. All I'll say is that for the three nights I stayed at that hotel, Julie made my stay more than memorable!

It's a little known fact that whenever we fancy finding a new stunner to grace the pages of *Mayfair* and send our scouts out across the land, it's more or less an evens bet that it'll be our man in Essex who's first on the blower, and so it was this month when he got in touch sounding even more excited than he usually is. He'd had to head all the way to the coast, but boy, he said, was it worth the journey. Well, as you can see for yourselves, he wasn't kidding – petite Lycia might only be a wee slip of a thing at 5'2", but she's certainly all there where it counts. Frankly we can hardly wait till 2018 so we can see even more of her!

"What's your name, then?" she says to the first dog.

Incredibly, the dog answers her. "My name's Rover and I've had a great day jumping in and out of puddles."

The woman is amazed. She turns to the next dog. "And what's your name?" Unbelievably, the second dog also answers her, "I'm Bonzo and I've had a great day jumping in and

A little girl comes home from school and proudly announces that she knows how babies are made. Her mum smiles and asks her daughter how it happens.

"Well, the mummy and the daddy take off all their clothes. Then the daddy gets his willy ready and puts it in the mummy's mouth. Then after a bit something happens and then they get a baby," says the little girl.

The mum smiles again. "Oh darling, that's not how babies are made. That's where jewellery comes from."

"I've come in period costume."

A month later the same guy's back. He orders a drink and the monkey goes apeshit, finds a grape on the bar, grabs it, sticks it up its arse, then pulls it out and eats it.

"Did you see what your monkey did now?" says the barman. "He stuck a grape up his arse, then pulled it out and ate it."

"What did you expect?" says the man. "Since he ate that fucking cue ball he measures everything first!"

A man goes into a bar and gets himself a beer just as Donald Trump appears on the television. After a few sips he looks up at the television and mumbles, "I'd rather fuck a horse than listen to that twat." A guy sitting next to him turns round and slaps him.

Then Donald Trump's wife suddenly pops up on the screen. "I'd rather fuck a horse than listen to her," the man says.

A customer at the other end of the bar stands up, walks over and knocks him off his stool.

"Bloody hell," the man says, staggering back onto his feet. "This must be Trump country!"

"Fuck off!" says the barman. "This is horse country."

"I just need to know," says George. After a bit more persuasion Esther says, "Alright George. I do confess I cheated on you three times," then starts to explain herself. A gay man decides that it's time to tell his mum about his sexuality. When he gets to her house his mother is in the kitchen cooking dinner. He sits down and says, "Mum, I'm gay."

After pausing for a few seconds his mum stops stirring the pot, turns to him and calmly says, "So if you're gay that means you put other men's penises in your mouth, does it?" The bloke nods his head. "Well, yes - sometimes," he says.

His mum walks over and belts him round the head really hard. "Well don't you ever complain about my cooking again!"

The sort of thing that frequently occupies us here in the *Mayfair* office is questions like, 'If we were stuck on a desert island with just one of the girls who's featured in the mag, who would we choose?'. Look, we sometimes have a bit of time on our hands, alright? Anyway, when we are whiling away a boozy afternoon on such weighty topics, it's become clear that Tommie Jo's name gets a very regular mention. And you can kind of see why, can't you? She'd certainly beat the complete works of Shakespeare and your favourite records!

Since we first featured her in *Mayfair* a year or two back we've been obsessed with various parts of Adele's delicious bod – obviously her boobs, her neat pussy and her shapely rear (we're only human, after all!) but just recently we've started to think it might just be her eyes that are her finest feature! Dark chocolatey brown, there always seems to be a bit of a cheeky smile playing about them, like she knows exactly what we're thinking...

"Well, I have got a pretty good idea what you're thinking! Here I am taking my clothes off for you, so if you're not thinking about the obvious then something's up!"

We are thinking bout the obvious – and something is up as well!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I'm enjoying my last few days off in Singapore after competing in an annual sports event out here. As a semi-professional swimmer I spend most of my spare time travelling the world to compete in various tournaments. But this time it could be said that not only did I beat some of the competition, I managed to fuck it too!

really got on well and after I made some throwaway comment about how impressed I was with the hotel, she told me her suite up on the 60th floor was even more glamorous and luxurious. I was curious to see for myself, so I innocently followed her to her suite, which was amazing! We talked about all sorts of girly stuff, comparing notes on how we keep fit. Tina even

moaned about how she gets fed up with always having to have perfectly shaved legs and for some reason I ended up telling her that even my pussy's always completely hair free. She didn't believe me, so I whipped up my skirt, pulled down my knickers and flashed my flesh.

"I can't begin to imagine what that feels like," she said. "Well just touch it and see for yourself," I replied. I'd never been with a girl, so

showing her my pussy seemed more playful and innocent than sexual... until she touched it! Her fingers brushed the clean-shaven treasure between my thighs and my pulse instantly raced. I experienced a world of new sensations from this one girl's simple touch. She inspected my moistening

pussy and I realised I'd never been sexually aroused by a woman before.

Throughout the competition I'd seen Tina wearing skin-tight swimsuits, so I knew that underneath her clothes she was wonderfully firm and toned. Taking the initiative, I carefully undressed her. It felt raunchy and so right, so natural. Before my hands touched her smooth skin I wanted my lips to kiss her first. I worked my way around her body, concentrating my mouth on areas that got the loudest vocal response from her. Pushed up against the thick glass window, with the incredible view of the city surrounding us, I sucked on her tan areolas and erect nipples, imagining the pure buzz she was getting, almost frightened when she looked at how high she was, but not prepared to move away from my mouth for anything.

We touched and teased through various states of undress until we were both naked on her bed. I caught a glimpse of our reflections in the wall of mirrored wardrobes running along the side of the room. She looked gorgeous, and with my toned body next to hers we made the perfect match! I've never spent so much time just sensually touching someone. Hour after hour we licked and stroked, never even penetrating each other's pussies. Tina kept talking dirty to me. She had the most vivid erotic imagination; tales of foul filth spilt from our lips as our cunts creamed and churned out juices. She lightly fingered my arsehole using my own wetness as nature's best lubricant. Her fingers found my ears and my mouth too, but never once entered my forbidden lovehole. Sensing my pressing need for something big, rhythmic and thumping filling my pussy, she leapt from the bed.

"Between you and I, I always carry a cock around with me, but it's something much more versatile and reliable than any boyfriend," Tina announced. She produced a pink, rubbery dildo, which had a suction pad at the end of the balls. She licked the pad, stuck it onto the mirrored wardrobe door at hip height and started giving the thing head (I can guarantee you, any guy would have been envious of that thing). She guided the rigid cock into her mouth, carefully taking it all down. Her cheeks drew in as she sucked and feasted on the thing. She treated it like it was the most precious item she'd ever touched. I could see the action from every angle, whether real or reflection.

Her rounded butt ground to an invisible rhythm as she filled her rosy cheeks with

the rubber delight. My knickers are wet even now as I picture her beautiful face wrapped around that cock. Tina backed off and quickly indicated to me that it was my turn.

"But don't suck, please fuck," she said. Initially it felt quite odd, seeing myself up against the mirror rubbing the cock around my clit and lips. Getting the confidence to

I first spoke to Tina at the closing party on Saturday afternoon. I'd seen her around during the competition, but as we were in rival teams we'd never really made the effort to speak to each other. She was a bit pissed and began chit chatting to me. I was quite surprised we had so much in common. We

behind me licking away at my arsehole. As I fucked myself the lips of my clean shaven pussy came into contact with the mirror – the cold so different to Tina’s warm tongue. She soon moved upwards, fondling my tits and rubbing her hair-covered clit against my arse cheeks. Before I could let rip and come, she pulled me off, telling me it was time for a change. She put on a high-cut yellow bikini, lent me a skimpy pink swimsuit and told me her plan:

“I’ve always wanted to use a swimming pool for something much more fun than training or competing,” she explained. “So you and I are going down to the hotel pool.” With the dildo safely wrapped up in her towel we headed off.

As we were the only people there we messed around in the sauna and Jacuzzi for a bit before diving into the pool. I noticed Tina’s nipples stand to attention once we were in the cooler temperature of the pool. My pussy seemed to stir in response, so the dildo was promptly unravelled from

the towel. I sat on the side of the pool, my feet dangling as Tina worked the dildo into my cunt. We noticed the CCTV cameras, but decided that so long as no other team members caught us, we couldn’t care less if the hotel security staff got off on watching us getting pleased.

Tina played up to the cameras, cooking up rude stories about what the security guards would do to us if they caught us. For ease of view we moved onto the poolside lounge, Tina and I now firmly entwined in an orgasm-inducing sixty nine. We hugged each other’s bodies, heads in between legs and tongues inside pussies. We came

mount it, I grabbed onto the edges of the mirrored door to steady myself and eased myself back and forth. It felt smooth and wet and amazing. It almost looked like I was fucking myself with a big strapon.

Parting my butt cheeks, Tina was

together, but my shaved cunt carried on climaxing as she lapped up each spasm like it was the first. When we were through

“JUST AS MY PUSSY STARTED TO TINGLE I FELT THIS THICK, HOT RUSH OF SPUNK SHOOT UP INSIDE ME...”

and we finally strolled past the security guards they gave us the biggest knowing smiles ever! We just giggled...

Looking back I realise I was very naïve right from the start. Tina had been subtly seducing me and engineering everything to get me into her bed. And I just hope I

My husband is a complete golf nut and every spare moment he has is spent with his mates at the local course. Just the thought of the game bores me to tears, let alone hearing about it afterwards, so it was a

given that there was no way I'd ever be accompanying him to the course on a weekend. So, it stands to reason that I would become slightly bored after a number of years of him disappearing off every Saturday and Sunday – even when it rains, you'll find him in the clubhouse discussing

handicaps with his cronies. About six months ago, I found something quite by accident that fills my time – amongst other things – whenever he's off playing with his balls. I play with someone else's!

Bill is a cabbie that I met, purely by accident, on my way home from a friend's house one rainy Saturday afternoon. I booked a taxi to get me home, as I'd had a few drinks and wasn't about to mess about with the bus or train, and it was Bill that showed up to drive me. I was instantly attracted to him and I could tell the feeling was mutual, as we flirted throughout the

“WE FUCKED LIKE ANIMALS, BOTH GRUNTING AND SWEATING AS WE CLUNG ONTO EACH OTHER.”

entire journey.

I didn't make any attempt to hide the fact I was married, and he admitted he was engaged, but when we got to my place and he got out to open my door for me, I did something I've never done in my life (and I'm still not sure where I found the courage to then) – I asked him in for a 'coffee'. He agreed and, after the pretence of actually making us both a hot drink in the kitchen, we fell into each other's arms and started kissing.

That didn't last long, though – we were both so desperate for a fuck that we didn't waste much more time on snogging and groping each other. He had my tits straight out of my top and a hand up my skirt, while I went straight for his crotch, unzipping his flies and grabbing a handful of rock-hard dick. He let me undress him, then stood there wanking himself as he eyed me up.

I sat up on the kitchen worktop and held myself open for him to see my juicy pussy, enticing him to shag me. And he didn't need much more encouragement, as he moved towards me, grabbing my hips and sliding his rigid cock deep inside my dripping hole. I gasped,

relishing the feeling of this stranger's prick being shoved roughly inside me,

and soon I had my legs wrapped around him as he pumped me hard.

There was no romance – not that I wanted any – as we fucked like animals, both grunting and sweating as we clung onto each other and ground our crotches together, juices mingling. He began to screw me harder, really banging into me, making my tits bounce around as he hammered his big prick home. Naturally, all he wanted to do was come and, annoyingly, he beat me to it. Just as my pussy started to tingle I felt this big, hot rush of spunk shoot up inside me before he pulled out, cock still hard and

see him again. To my surprise, however, when I saw him, the lust hit me again. And the feeling was obviously mutual – I didn't even get round to asking if he wanted a drink before he had taken me in his arms and kissed me passionately. This time we fucked on the sofa and it was incredible. He made me feel amazing, licking me to orgasm before he even let me touch his cock, then frigging my clit while he was inside me. I came twice during that session, his hard prick rocking me to my very core.

We've been having an affair ever since, and I'm permanently horny. Bill and I are careful, but we send a lot of filthy texts to each other. Often, I'll be doing something really boring, like shopping in the supermarket, when my phone will beep and it'll be Bill telling me to picture his stiff prick hammering in and out of my frothing twat. A couple of times I've had to find a quiet place and stick my fingers down my knickers until I'm satisfied!

With us both being in relationships, we don't really spend any quality time together, so it's usually a quick bang while my husband is playing golf. Bill has started parking up around the corner and the second I'm alone, I text Bill who sneaks in the back door, so as not to alert the neighbours. I know this won't last

forever, but I'm enjoying it while I can, and I don't have any intention of splitting from my husband. It does give me a nice little hobby to occupy myself instead of being a bored golf-widow!

shiny as he watched me frig myself the rest of the way to my orgasm.

It was ever so slightly awkward as we cleaned ourselves up afterwards and, despite my reservations, he took my mobile number. I'd never played away before and I felt a bit guilty about cheating on my husband, but as I watched Bill drive away, with a satiated feeling in my crotch, I also felt weirdly elated.

I hadn't realized at that time, thinking it was just a one-off quickie, that Bill had got under my skin. I tried to forget about him, but he kept popping into my mind (especially whenever I felt horny, as my sex-life with my husband had gone off the boil years ago), then a few days later I got a text. He said he couldn't stop thinking about me and would really love to see me again.

I could have texted him back and said no, but part of me wondered how I would feel in his company again, if it was just a one-off. We arranged for him to come round on the Saturday afternoon, when

my hubby was playing golf (what else?). I had it in my mind that I would tell him that I had enjoyed our time together, but couldn't

A few issues back we introduced you to the charms of Melissa Howe and now, we're delighted to announce, here's a chance to clock her twin sister Carla! They were both bunnies and appeared in a magazine that shall remain nameless here, but apparently – according to Carla, at least – life with the elderly proprietor of the mag was a bit of a bore. To be fair, he was knocking on 90 at the time, and there are probably only so many games of Beetle a nubile young thing like Carla can stand in one day! Perhaps if she wants a really fun time she could try our very own Ed instead – at least he can still stand unaided (before lunch, at least).

OK, so we missed a trick by not putting the stunning Noel Monique in the Christmas issue so we could get a lame coverline out of it, but hey – as it happens we've only just had a chance to shoot her, and the thought of making you wait until next Christmas to check her out seemed a bit unfair because... well, because just look at her! But does she know her name's a flipped version of 1980s Playmate Monique Noel?

"Yes, I found that out the other day – but I reckon it's pretty cool, don't you?"
More like smokin' hot, we'd say!

We all know that a little of what we fancy is good for us (unless it's heroin), and nothing could illustrate that better than Saskia Jade who is, you'll see – assuming you're one of those eagle-eyed readers who actually checks out the models' vital statistics – only a wee slip of a thing who comes in at just under 5 feet tall. Still, that doesn't mean she's not a perfectly proportioned package, as you can clearly see from this spread, and any man with half an ounce of sense would be chuffed to spend a bit of time in her company. Apart from anything else, think of all that extra leg-space you'd have in the restaurant and cinema!

SIBYL

Age: 23 Vital Stats: 34C-27-33 5'6"
Photographer: Dazglam

■■■■■■■■■■

We thought we wouldn't leave it too long before introducing our first fresh-faced *Mayfair* debutante of 2018, and here she is! Now Sibyl might be the sort of name you associate with grannies rather than saucy 23-year-olds, but apparently there's a reason for it...

"It's from the Roman priestess who used to get off her head and predict people's futures!" she tells us. "I heard the story and thought it was so fantastic I just wanted more people to know about it. She lived in a cave and went mad because of all the toxic fumes!"

Well we don't need any sort of soothsayer to tell us that we'll be seeing plenty more of this Sibyl from now on!

MAYFAIR Movies

So which are the most strokeworth flicks to have dropped onto our bongo reviewer's doormat this month? Well it looks like it's these three, if the shaky copy he filed is to be believed.

Wicked Pictures

STRIPPED DOWN

CAST: Alana Cruise, Alexa Grace, Ana Foxxx, Chanel Preston, Alison Rey.

The genre of bongo flick that can more or less be summed up as exploring the travails of running a strip club has a new member, with this offering from Wicked. Blimey, one way or another it seems like a terrible business to get into if most of these films are anything to go by, with heavies and rent collectors always lurking round the corner. Thankfully, though, the job does have one perk – the near constant stream of sex that's on the cards – and the club that features in Stripped Down is certainly no exception to that rule! Alison's first up, and she wants to audition, but instead of watching her gyrate to The Star-Spangle Banner we get to see her being knobbed by Lucas instead. It's a solid enough shafting, and his pop shot crowns it off nicely – but we don't even learn if she gets the job! Alexa's talents are to the fore in the next two scenes – a

lesbian bunk-up with Chanel and then an eye-pleasing bonk courtesy of Ryan Driller, complete with a nice bit of filthy chatter throughout. Alana Cruise keeps things moving along nicely, but for me it's the final scene with Ana Foxxx that is the pick of the crop, the rather murky lighting notwithstanding.

BIG BOOBS

CAST: Rachelle Richey, Stella Cox, Lucia Love, Yasmin Scott, Courtney Blue.

There's a certain directness about the title, don't you think? Niceties of plot are all very well, but you have to go quite a long way to find someone who's going to be turned off a bongo release on account of it featuring big boobs. Even if that was ALL it featured, I think you'd still have quite a few happy viewers out there, but given that the Big Boobs in question are all attached to the front of some very comely splishers, who then get up to some very rude things with a selection of adequately-endowed stuntcocks... well what's not to like? Patriotic strokes will be glad to see Lucia Love and Stella Cox in the mix, both letting their paramours take liberties with their jacksies along with everything else (and Lucia's old-school pubic arrangement will appeal to more traditional elements, too). Covergirl Rachelle, meanwhile, has the temerity to screw the pizza delivery boy – something which, along with pool cleaners, I thought had died a death in the 90s. Aussie Yasmine, meanwhile, takes the gold for a very spirited double-dicking indeed.

DADDY I'VE NEVER SQUIRTED BEFORE

CAST: Tiffany Watson, Bailey Brooke, Kristen Scott, Jaye Summers.

Given that the 'Daddy' in question, who co-stars in all four scenes here, is Tony Ribas, and that the surnames of the girls also co-starring are Watson, Brooke, Scott and Summers, I'd like to think that we can rule out the possibility of an consanguinity right off the bat. And given the kind of thing they're all getting up to, I for one am extremely relieved about that – I'd have been on the blower to social services otherwise, which is never the best way to settle down

in front of a scuzz vid. Poor Jaye's plight proves to be typical of the rest of the film. the 21-year-old has never managed a squirt, and needs an experienced hand (one of

★★★★☆

Tony's, in fact) to help her fulfil her dream. Thankfully Tone's in a giving frame of mind, and gives her first a fingering, then a toy, and finally a cock to help her get her rocks off. After a lot of effort on both sides, with a good deal of energy being expended along the way, she manages it! After that Tony fucks her silly, which seems only fair. It's much the same for all the other young flampers here (including the setting) with the slight exception of blonde Tiffany, who nearly drowns our plucky swordsman, so proficient does she become at the squirts.

28 years ago our fraught Brexit referendum was a long way off – whenever we got a French girl in the mag everything was very cordial – even if we did describe them as unconventionally attractive, which seems a bit harsh to me! Still, With her freckles, statuary and furry muff we reckon Danielle represents a perfect example of late 80s womanhood, and we're sure many men at the time would have been only too delighted to give her Fifi a stroke...

The French, as ever, have a word for it, *la belle-laide* — the unconventional beauty, a girl whose looks stray from the paths of traditional attractiveness, yet this somehow this seems to only serve to make her still more desirable. Such a girl is 23-year-old Danielle Barrault from Rouen, France.

'I was very self-conscious about my body,' says 34-25-36 inch Danielle. 'It was that my freckles would be the biggest turn-off for any man. Happily, my very first boyfriend, George, an Englishman, was wild over them, said I had more beauty spots than the whole of his Lake District!'

This is Danielle's first try at modelling. Usually she works as a translator for a well-known firm of international publishers. At present she lives alone in a one-bedroom flat with her beloved French poodle called, would you believe, Fifi.

Mayfair has always shared unconventional girls with readers, knowing that you are sufficiently discerning to appreciate them. Danielle, though, was not so sure. 'I hope you know what you are doing,' she said. We think so.

MAYFAIR

Vol.55 No.02

On Sale April 1st

Well spring'll be in full bloom by the time 55.02 hits the shelves, but here at *Mayfair*, certain things are always in season – and you probably don't need me to tell you what they are, do you? Who cares about the annual blooming of daffodils or the appearance of tulips when every issue of *Mayfair* brings forth the delights of some blooming marvellous boobs and the several delectable sets of, umm, two lips? I think I'll park that thought right there before it gets even more ridiculous, and confine myself to saying next issue's got some lovely women in, like these two!
